

picture One Book, One Community

Bob and Otto

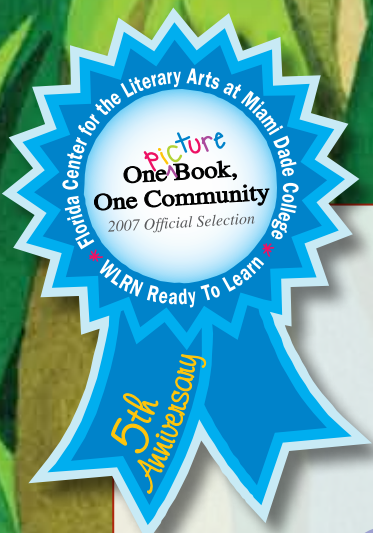

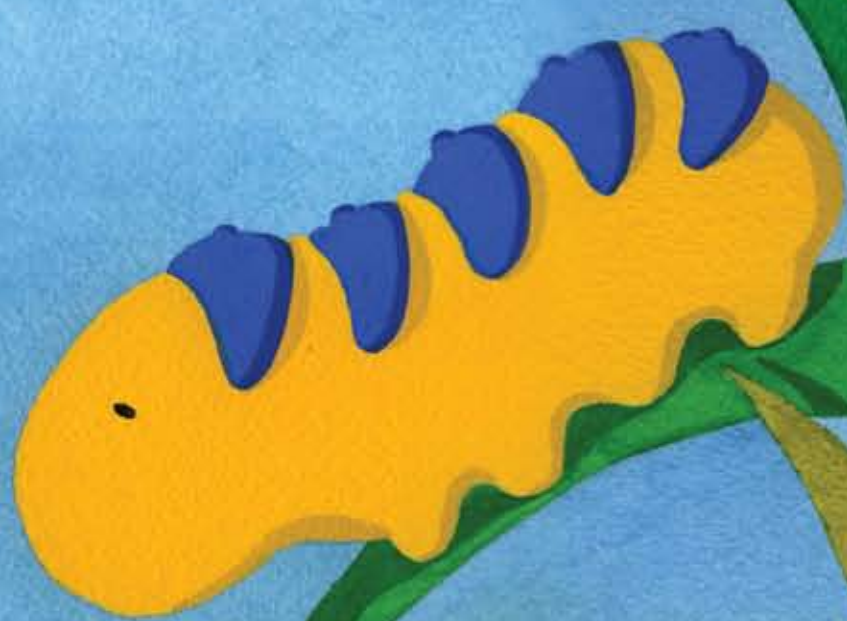

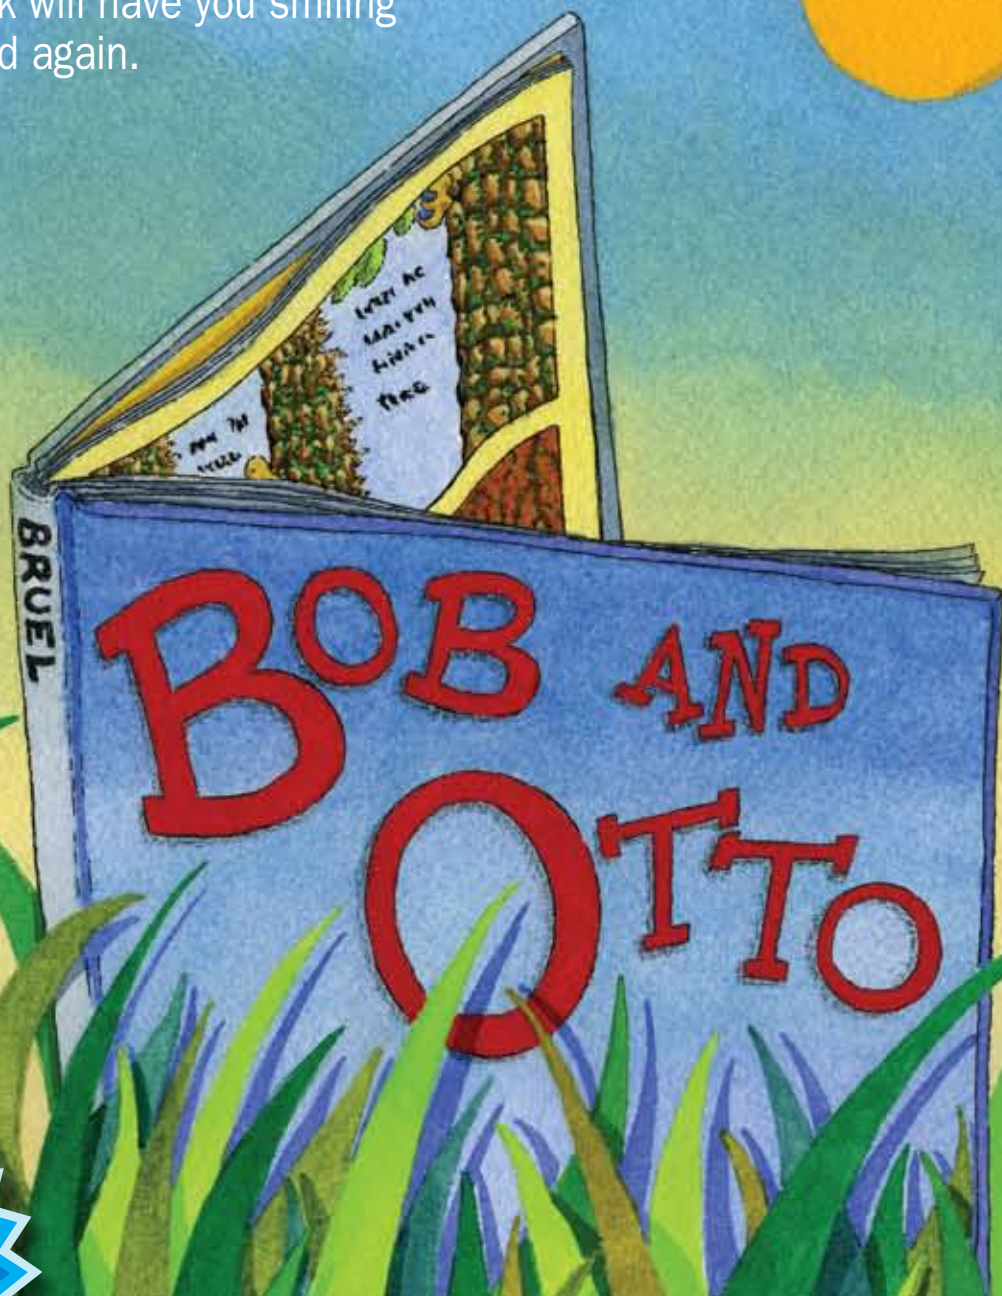

by Robert O. Bruel, illustrated by Nick Bruel

Reading is cool, reading is fun,
Here's a great story that's really awesome!

Bob and Otto, a caterpillar and a worm,
The tale of two friends, both had much to learn.

Read it and see what they both create,
Exploring, discovering like best playmates.

Friends forever - no matter where or when,
This book will have you smiling
again and again.

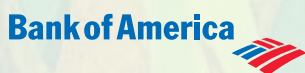

Reading is fun! Share it with everyone!
